STIPULATION

IT IS HEREBY STIPULATED and agreed between the  
undersigned parties that:

At the sentencing hearing for Virginia Mercedes Rosas  
Guerrero on February 28, 2006, the United States requested that  
the applicable sentencing range for Ms. Guerrero be reduced from  
70-87 months to 46-57 months based on her May 29, 2005

cooperation which resulted in the arrests and subsequent indictment of Robert Alexander Sigouin and Kevin Patrick Cash.

The sentencing court ultimately pronounced a sentence of 42 months for Ms. Guerrero.

During Ms. Guerrero's testimony earlier in this trial, she indicated that her sentence of 42 months was not the result of a reduction in her sentencing range. While you may consider this as one factor in evaluating Ms. Guerrero's credibility, you should not assume that Ms. Guerrero lied or was being untruthful. Ms. Guerrero's statement may have simply been a lack of understanding of how her sentence was derived in what can be a complicated sentencing process.

**IT IS SO STIPULATED.**
